

PHOTO FRENCH FORT COVE, MIRAMICHI, NB © PHIL RIEBEL 2011

A typical scene of heavy snowfall in Northern New Brunswick. The large mature trees along the edge of this cove are a good example of a well-established buffer zone as required by the SFI standard.

SUSTAINABLE FORESTRY INITIATIVE

Good for you. Good for our forests.®

SFI-00001

Sustainable Forestry Initiative Inc. (SFI®) manages the largest single forest certification standard in the world. The SFI® label is a sign you are buying wood and paper products from well-managed forests.
